

Noel House Art Projects – Judith Heim, instructor

Autumn Leaf Collages

Materials:

1. Cardstock or matte board approx 8x10" (Tan, Brown or black is nice for this)
For background
2. Assortment of paper scraps. I.E. paper bags, foil candy wrappers, wrapping paper, tissue paper, paper napkins etc.
3. Autumn leaves
4. UHU glue stick

Objectives:

1. Re-emphasize that you can make art from **anything!** Even things that you might automatically throw away.
2. Emphasize texture and color as elements in a composition.
3. Compare nature's textures and the textures and patterns in man made materials.
3. Touch nature and have fun!

Collages by Judith Heim c 2007
